Your Perfect Romantic Wedding Venue

Your Dream Wedding at the Downe Arms Country Inn

We are delighted that you are considering the Downe Arms Country Inn for your forthcoming Wedding Reception. Everyone dreams that their wedding day will be the most memorable of their lives and here at the Downe Arms we will do all that we can to make that dream come true.

The hotel sits on the edge of the magnificent North Yorkshire Moors, with Wykeham Forest as a backdrop and the beautiful All Saints Church as its neighbour. What an ideal setting to capture those all important photos of your special day!

At the Downe Arms we help you turn your ideas and dreams into a truly personal and unique experience. Whether it's a wonderful winter wedding with candles and a log fire, or a sumptuous summer wedding with open doors onto the garden, you will have a truly beautiful day with us.

Our chefs prepare fresh food, using locally sourced produce where possible to create delicious menus for your wedding guests. Please see our menu sheets and drinks packages attached to this brochure.

The Hotel is also licensed to hold Civil and Partnership Ceremonies in the Park Room overlooking our lovely garden. And to make things even easier for you, our room hire cost for the Park Room includes chair covers and sashes.

We would be delighted to welcome you here to the Downe Arms to see our facilities first-hand and to chat to our Wedding Co-ordinator about your forthcoming special day - so have a look at our Wedding Brochure and then call us on 01723 862471 to make an appointment.

Infocus provide a personalised wedding photography service.

Your special day will be attended by Rich & Rich who's unique style of photography stems from their twenty years of working together at Infocus. We specialise in creating individual albums, drawing on your personality to capture this most special event.

We have a gentle and unique way of working; we're not bossy, we don't take over but capture your day in a truly distinctive manner.

We feel today's couples are more comfortable with this informal style of photography.

But don't just take our word for it, pop into our studio and let our albums speak for themselves...
