The above rates valid for any day of the week as a second night and normally charged for the first night stay.

Terms and Conditions

For all reservations please call the Downe Arms Hotel on 01723 862 471 to provide your personal contact details and valid card details to secure your reservation. Full payment will be taken on departure. Check In / Check Out: Check in is strictly 2pm and check out is 10am. We are unable to accommodate any early check in prior to this time, should you require early access to a room we would recommend booking an additional night which we would hold for the same rate. If you wish to arrange early check in this can be arranged in advance of your arrival for an additional fee of £20 per room (subject to availability) maximum of 2 rooms. If you pay this fee Check in will be no earlier than 12noon. If you or your guests arrive early to try and gain access into their rooms before 2pm and they are available they will still be charged a £20 early check in fee. Please kindly ensure all of your guests are aware of these timings and prices. Prices and offers subject to change and availability
